

The image shows a map of a city street intersection. A large, dense cluster of blue lines represents indirect left turns, while a few orange lines represent direct left turns. The map includes street names like 'Waldenstraße' and 'Hauptstraße'. A legend in the top right corner provides statistics for these movements.

Turn Type	Count	Percentage
Indirect Left Turns	47	94.0%
Direct Left Turns	3	6.0%

— All (47) - indirect left turns: 94.0%  
— All (3) - direct left turns: 6.0%
